

# Lacrosse Goal Assembly Instructions

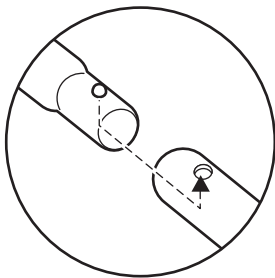

**Warning:**  
Use caution during assembly. Inspect materials for any sharp edges. Adult supervision is required for assembly by individual under the age of 18.

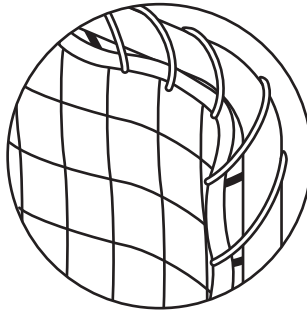

## Assembly Made Easy

**Part 1:** Lay out all pieces within easy reach on a flat surface (check for any pieces damaged during shipping).

**Part 2:** Connect the pieces as show, in order of steps 1-3. Follow the diagram.

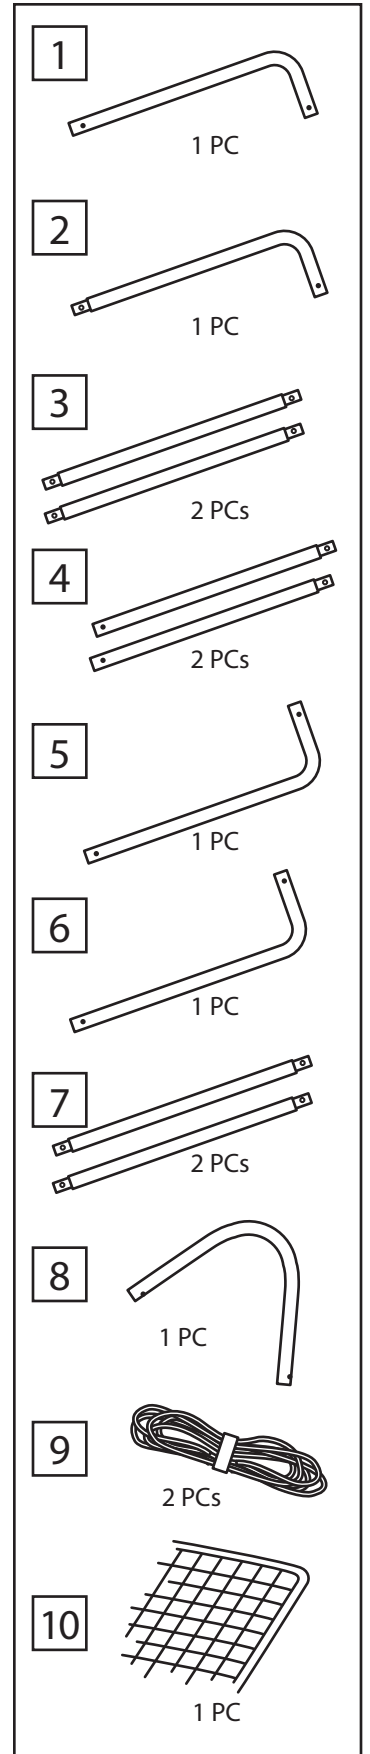

**Part 3:** Be sure to lock buttons when fitting tubes together.

**Part 4:** Attach the net (#10) to the goal by weaving rope (#9) through each opening in net and around the posts. Be sure to keep a tight rope.
